

DUPONT™ ZODIAQ® COMMERCIAL (PRODUCT ONLY) WARRANTY FOR NORTH AMERICA

DuPont warrants to the owner of the original installation that DuPont™ Zodiaq® quartz surfaces, when installed in accordance with current published procedures by a DuPont Authorized Zodiaq® Installer, shall be free from materials defects in production for a period of ten (10) years from the date of completion of installation of the Zodiaq®.

DuPont makes no express or implied warranty including, without limitation, the warranties of merchantability, fitness for a particular purpose (even if that purpose is known to DuPont), or from any course of dealing or trade usage regarding the product.

Each party assumes all risk and liability for results obtained by the use of products covered by this warranty, whether used singly or in combination with other materials. No warranty whatsoever is made with respect to the materials produced by other manufacturers.

The sole responsibility and liability of DuPont under this warranty shall be to repair or replace, at DuPont's option, the products shown to be defective during the warranty period. In order for DuPont to respond under this warranty, the owner must give DuPont prompt notice of any alleged defects that appear or should have been discovered after the exercise of reasonable diligence. DuPont or DuPont's authorized agents must be permitted to inspect the product and thereafter to follow DuPont's warranty services procedures. All decisions regarding the existence of manufacturing defects or affecting this warranty shall be made by DuPont and shall be final and binding upon the parties.

Laws and building and safety codes governing the design, engineering and construction of installations vary widely. DuPont assumes no responsibility or obligations with respect to the selection of product for the installation or the design, engineering and construction of the installation.

This warranty is issued to the original owner of the structure into which product was installed and expires upon transfer of the ownership of the structure to a third party.
